

Business Strategy Essentials

Course Venue: UK - London

Course Date: From 23 Aug 2020 To 27 Aug 2020

Course Place: London Paddington

Course Fees: 4700 GBP

Introduction

This course will provide high caliber staff, team leaders and professionals with the knowledge and skills to contribute to strategy formulation and implementation. Delegates will acquire strategic awareness and learn how this impacts operational activities. Learn to use planning tools and techniques and when to apply them. Become more self-aware of the leadership styles and preferences and reflect on the impact on implementation of strategies and plans. The ability to communicate and delegate will affect staff engagement and consequently the success of your plans.

objectives

This is an action-packed workshop that will enable you to develop hands-on skills to take back to your workplace.

Participants will learn how to:

- Recognize the value and importance of thinking strategically
- Relate strategic goals to the development of effective plans
- Review and appraise your role in operational and strategic implementation
- Formulate objectives for your team and staff which align with organisational aims
- Recognize how your leadership style impacts peer and subordinate relationships
